Church-wide

RESPOND—Do you share a heart for DC? Please join us as we respond to Christ's call to serve others through a church-wide service day on October 3. Stop by the table in Halverson Hall, contact Adam Norris or Garrett Robinson at Respond@4thpres.org, or sign up online at www.4thpres.org/respond

Media Center

Scripture Union daily devotionals for July through September are available in the Media Center for the discounted price of \$1 while supplies last.

Congregational Care

Welcome to Fourth Church! We want to get to know you! Recent visitors are invited to our New Visitors Welcome Luncheon, August 2, following the 11 am service in Room 102. The gathering is an opportunity for personal contact with members and pastors, conversation and fellowship, and information about membership and ministry. RSVP by July 26 to cfitzgerald@4thpres.org.

Women's Ministry

G2G/G3—Fourth's midweek Bible study, G2G, begins September 9 and we're excited about ladies who will be returning as well as ladies new to the group. We're also excited about the children's program, G3. This fall they will study the book of Acts, just like their moms! We do need more child care workers, so if you'd like to serve the children and ladies of our church, and make a little money while serving the children and ladies of our church, this is a great opportunity. Contact Jean at jbronson@4thpres.org or 301-320-3434, x275.

Bosom Buddies—If you are under treatment, recently diagnosed, or a breast cancer survivor, you are invited to lunch today, in Room 132 immediately following the 11am worship service. Join other ladies as they eat, pray and encourage one another.

Children's Library

One more week remains in this summer's reading club, "Digging for Treasures!" Continue to read books, memorize Bible verses and total up your points. Pick up your prizes in the Children's Library today or at the Thursday Story Hour.

This Thursday is the LAST Story Hour of the summer.

Join us at 11am in the Children's Library for prizes, popcorn and stories read by Dr. Rob Norris.
