Discussion Questions

1. What ‘happened’ to Paul?
2. Talk together about the benefits Paul names that came from his imprisonment. What do they teach us about God?
3. Describe what it means to ‘speak the word.’
4. Apparently both of these groups, named in verses 15 - 18, preached the true gospel. How is it possible to preach the gospel from envy and rivalry?
5. What would it take for you to be able to say “No matter what happens to me, if it serves to advance the gospel—I rejoice”?
