Rev. Corey Gray

“The Model and the Means”

*6th Sermon in a Series on the Book of Philippians*

Sermon Passage: Philippians 2:3-11

Old Testament Passage: Isaiah 45:22-25

### ***Read the Passage***

### ***Discussion Questions***

1. What do you think it would look like for Christians in a church to act out of rivalry?
2. In any given typical week of your life, describe one way in which you could “look to the interest of others” in our congregation?
3. Consider together what it must have meant for the Son of God to humble himself and take the form of a servant. Why did Jesus choose *this* way?
4. For what reason will every knee bow to Jesus’ name and every tongue confess him “Lord”?
5. Name two things about Jesus in this passage or shared in this sermon that help you worship?

### ***Pray Together***

- Pray together for our church family and your community group in light of this passage.
