Discussion Questions

1. Why does the Apostle Paul call the men and women to whom he writes “beloved”?
2. What are some ways that God helps you to know that you are *his* beloved?
3. How does this passage help to explain the phrase “work out your salvation with fear and trembling”?
4. Talk together about what Paul means by “holding fast to the Word.”
5. Name some ways that we can work together for the “gladness” of Fourth Church.

Pray Together
