Discussion Questions

1. Compare and contrast “spiritual people” with those who are “infants in Christ.”
2. What was Paul intending to teach us about the nature of pastoral ministry when he used the analogy of “servants” in verses 5-9?
3. Who is the one who grows the church?
4. Think about the sorts of things that a typical pastoral search committee might look for when seeking to hire a Senior Pastor. What criteria would make the list? Now, how might that list compare with 1 Corinthians 3:1-9?
